

Non Solo Grano

NON SOLO GRANO is a semi-finished product for cereal pizza containing all the nutritional properties of wheat, barley, oats, spelt, rye, corn, all in a single mix.

It is particularly suitable for the production of classic pizza, with crunchy consistency, rich and intense flavour, and the typical aroma of products enriched with cereal flour.

Ingredients

Type "0" soft wheat flour, barley flour, oat flour, whole spelt flour, rye flour, corn flour, malted wheat flour, powdered dried sourdough, flour treatment agent L-cysteine.
